Definition: Damage Reflect is a skill that certain [typically harder] bosses can use.. Once they use this skill, doing damage to them by any means [unless the skill enables otherwise] will result in them taking no damage while you take a set amount of damage regardless of your hp.. Hey guys, in this guide I'll be informing you on the following topics:- Which Bosses actually use Damage Reflect- At what HP remaining in which the boss triggers DR- How often and for how long each boss' DR lasts- The amount in which these bosses actually DR forBefore we get started, I feel it's important to clarify exactly what Damage Reflect is; so here's my take on it.. To 'get around' DR, you really have to simply be aware of the animation that each boss does right before they use the skill. [Imaging free download free version](#)
